Inspec (File 2)

Derwent World Patents Index First View Overview (File 331)

Each month Dialog offers an opportunity to try out new or unfamiliar sources by offering \$100 of free searching (either DialUnits or connect time) in one specific file. Output and Alerts charges are not included. For more details visit: <http://www.dialog.com/freefile/> and then take a moment to get familiar with another great Dialog resource.

\*\*\* "Thomson File Histories" are now available directly through Dialog in selected patent and trademark files. Combined with the comprehensive patent and trademark information on Dialog, file histories give you the most complete view of a patent or trademark and its history in one place. When searching in one of the patent and trademark databases, a link to an online order form is displayed in your search results, saving you time in obtaining the file histories you need. See HELP FILEHIST for more information about how to use the link and a list of files that contain the link.

NFL THIS WEEK TEAMS, THE LOWDOWN, NUMBERS GAME, TIPPING THE  
SCALES

TEXT:

Chicago (3-5) at Tennessee (3-5 ) 11 a.m. Sunday \* Bears QB Craig  
Krenzel has completed less than 50 percent of his passes and has been  
sacked 12 times in 65 pass attempts yet is 2

-0 as a starter thanks to an improved defense. That unit  
probably will catch a break - Steve McNair (bruised sternum)  
looks like he won't play. 21 sacks for the Bears  
defense, three more than it managed all last season. \*

The Titans will try to force Krenzel to prove he can beat them,  
crowding the line of scrimmage. That strategy produces a win.

Houston (4-4 ) at Indianapolis (5-3) 11 a.m. Sunday \* Houston was  
brought down to earth by the Broncos. The defense was  
torched by Jake Plummer - that doesn't bode well with Peyton Manning  
in waiting - and David Carr and the offense suffered through a tough

day. Indy's "D" remains suspect, so look for Carr to rebound. 73 pass completions combined for the Colts (38) and Texans (35) of...

... good, Indy's offense is great. The Colts' superior run-pass balance gives them a decided edge, especially at home. Baltimore (5-3) at N.Y. Jets (6-2) 11 a.m. Sunday \* Bad timing for Quincy Carter - he makes his first Jets start in place of injured Chad Pennington against the nasty Ravens defense. His past (30 TDs, 36 INTs with Dallas) suggests he's not equal to the task. The Jets' run defense looked vulnerable against Buffalo. 62.4 passer rating for opposing QBs against the Ravens "D," the lowest rating against any NFL defense. \* Unless Carter shocks the world (unlikely), Baltimore will crowd the line of scrimmage, stuff the run, force the pass and prosper. Seattle (5-3) at St. Louis (4-4) 11 a.m. Sunday (Ch. 31) \* A Seattle win puts it in firm control of the NFC West, a loss and it is tied, so this game is huge. While the Seahawks have reasserted themselves behind the tough running of Shaun Alexander, the Rams have lost two in a row, allowing 71 points in the process. 24 sacks of Rams QB Marc Bulger, including five last week in a loss to New England. \* A likely shootout boils down to two questions: Can the Rams protect Bulger? Can St. Louis stop Alexander? Toss a coin! Tampa Bay (3-5) at Atlanta (6-2) 11 a.m. Sunday \* Certainly many Broncos fans find it hard to believe, but Brian Griese has saved the Buccaneers' season. He's 3...

... in the league. \* The Buccaneers' defensive line has been decimated by injuries and Atlanta is No. 3 in the league in rushing. Edge, Falcons. Detroit (4-4) at Jacksonville (5-3) 11 a.m. Sunday \* Like most Jaguars games, this should be a low-scoring affair. Detroit's ground game doesn't exist, not good when going against a strong Jacksonville defense, while the Jaguars' sputtering offense will be without last-minute magician Byron Leftwich with David Garrard starting. 5 receiving touchdowns for Detroit's Roy Williams, tops for a rookie this season. He has one touchdown for every 5.4 catches. \* The Jaguars likely will stuff the run, forcing Detroit to be one-dimensional. The key is Garrard, but he has a big arm and runs. Kansas City (3-5) at New Orleans (3-5) 11 a.m. Sunday (CBS 4) \* The Chiefs have 132 points the past three games while the Saints have allowed 107, including 43 Sunday. QB Trent Green has to be salivating, even with Priest Holmes likely out. Of course, the Chiefs' own porous defense could cure struggling QB Aaron Brooks. 15 300-yard passing games with the Chiefs for Green. He is tied for the club record with Bill Kenney. \* Both teams are 3-5 but there appears to be much more...

... should be too much for the Saints. Pittsburgh (7-1) at Cleveland (3-4)

11 a.m. Sunday \* Coming off consecutive dominating wins against unbeaten teams, life is good for Bill Cowher and Pittsburgh. Of course, in the NFL, that usually means a letdown comes next. But this a division rivalry...

...and the Steelers' recent domination on both lines is tough to ignore. 28 rushing yards allowed by the Steelers' defense in wins against New England and Philadelphia. \* The Browns couldn't run against the Ravens and Pittsburgh's run "D" has been suffocating. The Steelers roll on. Cincinnati (3-5) at Washington (3-5) 11 a.m. Sunday \* The bad news for Joe Gibbs is that QB Mark Brunell continues to fire blanks; the good news is the Bengals haven't stopped the run often and Clinton Portis and the...

... meeting in the nation's capital was in 1985. \* The Bengals need to establish a run game to take pressure of QB Carson Palmer, but Washington stuffs the run consistently. N...  
... and starting DEs Michael Strahan and Keith Washington are injured. The Cards, meanwhile, had their confidence buoyed by ending their 17-game road losing streak. 20 turnovers forced by both the Cardinals and Giants, tying them for second in the league behind the Bengals. \* Dennis Green is making progress in the desert, and...

... the bye week, and the absence of Moss will make things much easier for Green Bay's defense. Carolina (1-7) at San Francisco (1-7) 2:15 p.m. Sunday \* Post-Super Bowl bad luck continues to haunt Carolina, which again is likely to be without RB Stephen Davis. Life hasn't...

... the pressure off QB Drew Bledsoe. The Patriots are banged up on defense and have been somewhat suspect against the run, so this could be closer than most people expect. 2...

...is coming on, giving the Bills a big shot, but Pats QB Tom Brady will find a way at home. Philadelphia (7-1) at Dallas (3-5) 7 p.m. Monday
